## Our Library

The Coldspring Area Public Library is a public service institution affiliated with the Houston Area Library System. With the exception of the Library Director and a part-time Assistant to the Librarian, it is staffed by volunteers and funded by grants, the fundraising efforts of the Friends of the Library, and donations from public and civic organizations.

The Library is truly a testimony of what a community can accomplish when everyone works together for a common cause. All of the volunteers deserve a very special "Thank You" from the community for tirelessly dedicating their time, talents, and energy to the Library. Our community would not have a Library at all without these individuals and those who volunteer for the annual fundraising efforts.

The Coldspring Area Public Library, a member of the Houston Area Library System, prides itself on being one of the most progressive rural libraries in East Texas.

## Library Patronage

An individual may become a Patron of the Coldspring Area Public Library by making an annual contribution at one of three levels:
